 - Feels 15 yr career is over & won't be able to look board members at his boss in the face again
 - Asked if he can talk to GC on unrelated matter - I advise he can but as we are telling everyone, if they want to discuss this investigation, a DLA Piper atty shd be present to preserve privilege and for their own protection
 - I advised that that advice needs to apply to all conversations as well - Said he understands and agrees
 - Wants Mani's training records when we have them
